February 2022

PRESIDENT'S MESSAGE

Our annual pecan fundraiser is almost completed & all monies collected/deposited. Our net profit will be \$1,061.50 which is not too bad for only 270lbs of pecans when we have sold 900lbs plus over the past years. Thank you to all who participated in bagging & selling this year.

Our Ways & Means Bowling Chair, the fabulous Mary Gunn is looking for sponsors, bowlers and for everyone to please bring door prizes if attending on 3/11/2022. Don't forget to bring cash for the 50/50 pot! Mary has asked if you have any companies or G.A.'s you work with on a regular basis that may want to be part of our bowling tournament/fundraiser, please email her the information with your contact and she will be happy to reach out to them. **WE ARE EXCITED TO SEE EVERYONE THERE AS IT'S ALWAYS A GREAT TIME!**

2022 has started out as a rough year with many being ill including myself. We as women always want to take care of everyone else and sometimes we forget about ourselves. Take care of YOURSELF because you ARE important and like my momma always said "you can't take care of anyone else if you don't take care of yourself first". **Be first!**

Smooches!

QUESTION:

You get 84,600 seconds a day.

Imagine if you wake up every day with **\$86,400 in your bank account** And every day, at the end of the night – it's gone, whether you wasted it or not. And then the next day you get another \$86,400. You would do everything in your power to spend it, right? Because you know the next day you're going to get another \$86,400. You don't want to leave nothing there – you'd make the best of it, right?

You get 86,400 seconds each and every day. Why waste time?

It doesn't carry over to the next day. It doesn't earn any interest. Take every day and every moment and make something of it. Make something positive.

LIVE INSPIRED.
